Datum	WGS84
Height above sea level	938 feet
	The cemetery is a long way from the road

## **ST. ANNE'S CEMETERY, RIVERSDALE**

In 1861, a parish cemetery was established in Riversdale where the present St. Anne's Church stands. In 1866, the cemetery, with all the graves was relocated to its current site, the southern portion of Part Lots 27 and 28, Concession 1 SDR. In 1997, the old tombstones received much needed repair. Proper foundations were poured under many of the monuments; they were straightened, aligned, and supported. A chain link fence, donations by others and by the descendants of William Cassidy and Bridget Doyle, was erected on the east and south sides of the cemetery. St. Ann's Cemetery is well kept and looked after by the board.
